

GIVING A GIFT IN LEGACY

CONSIDER A LASTING GIFT TODAY
TO SECURE THEIR FUTURE TOMORROW.

FROM THE GM

Thank you for your interest in leaving Sydney Dogs & Cats Home a gift in legacy.

My team and I truly treasure this level of commitment and promise that in return we will work tirelessly to our mission of responsibly reuniting, rehoming and rehabilitating companion animals in our care; whilst providing the highest level of service to the wider community.

As Sydney's only not-for-profit pound, each year we open our doors and care for up to 3000 lost, abandoned and neglected pets; while delivering an array of mental health focused community programs.

With our strong commitment to a sustainable future, we are delivering Sydney a positive pound solution with a community focus.

No matter the size, a gift in your Will allows us to plan for the future and cement our vital lifesaving programs to support generations to come.

Thank you again for your interest in our work. The following will provide you with further information about us, our future, suggested gift options and how we would love to keep in touch.

I would also like to take this opportunity to personally invite you for a tour of our current facility at a time that suits.

Should you require any further information or would like to arrange a tour, please contact our Bequest Team on 02 9587 9611 or legacy@sydneydogsandcatshome.org

Yours sincerely
Melissa Penn
General Manager

WHO WE ARE

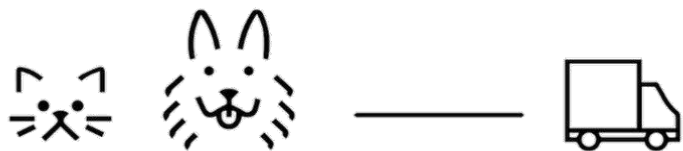

Sydney Dogs & Cats Home has been taking care of lost, abandoned and neglected pets since 1946. Today, we are Sydney's only not-for-profit pound, active rehoming facility and community centre.

Each year we open our doors to 3000 pets in need from multiple council areas across Sydney. We pride ourselves on tailoring long term solutions to each individual animal and we never place a time limit on any pet awaiting adoption.

With our aim to create meaningful experiences for people in all facets of our work; we proudly deliver an array of mental health focused community programs that include aged and disability care initiatives, programs that benefit youth living with mental illness, education initiatives, and community service programs.

Already a local leader in the services we provide to our community, our vision is to become Australia's leading shelter for companion animals by improving the lives of our animals and people.

OUR FUTURE

By choosing to pledge a gift, no matter the size, your support of our vital lifesaving programs will go directly to where it is needed most in the areas of, but not limited to;

- Medical and Veterinary Support
- Animal Care and Rehabilitation
- Education and Community Support
- Capital works

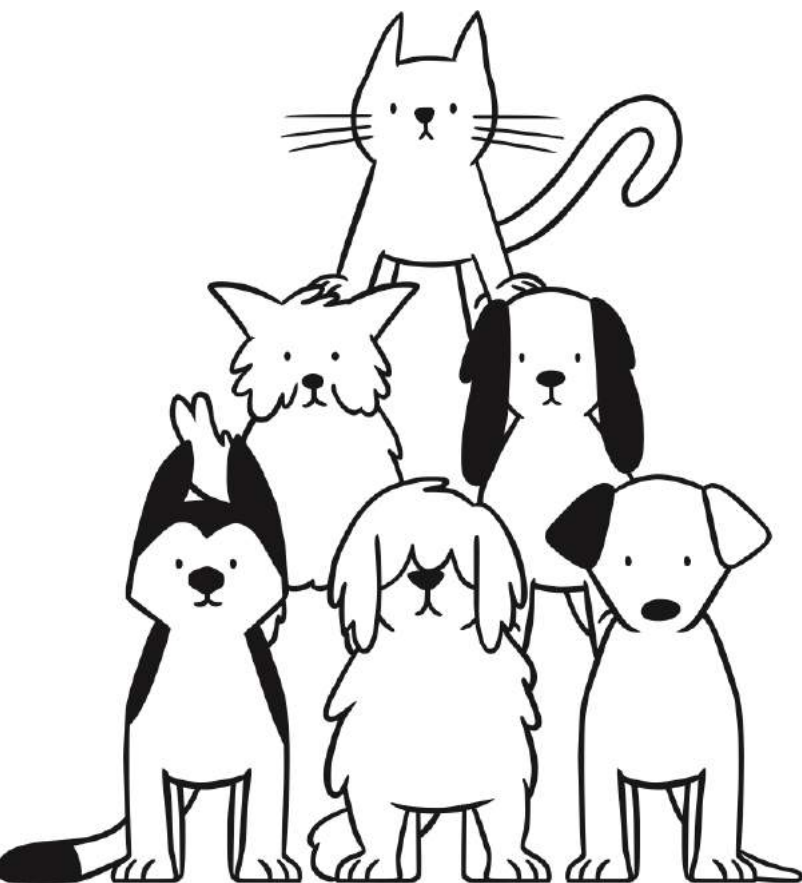

Sydney Dogs & Cats Home is also embarking on an exciting multi-location expansion, after the site we've called home since 1946 was slated for redevelopment.

Thanks to the support of the greater community and the NSW State Government, a long term community lease has been secured on a vacant lot in Kurnell.

With plans well underway, we are now on the path to build a world-class combined animal shelter and community facility.

Whilst you are free to direct your gift to one of our areas of support, our preference would be to have your gift directed to the “general purposes of Sydney Dogs & Cats Home Incorporated”

HOW TO LEAVE A LEGACY GIFT

Bestowing a legacy gift in your Will is one of the most precious gifts of all and with many options available, we have provided suggested wording for 3 types of gifts.

The following information is intended to be a guide only and does not constitute as legal advice. We recommend you seek independent legal advice when preparing or updating your Will, as well as discussing your intentions with loved ones.

Residual Gift

This option is to leave the remainder (or residue) of your estate after providing for your family and loved ones.

In the event that there remains any part of my estate that has not otherwise been disposed of under my Will whether by reason of any failure of any gift or otherwise ("the Residue") then I give the residue to Sydney Dogs & Cats Home Incorporated, of ABN 16 943 464 585; CFN 16738, to be used for the general purposes thereof, the receipt of the Treasurer or other proper officer for the time being of the Sydney Dogs & Cats Home Incorporated shall be sufficient discharge for my executors.

LEGACY PETS

To provide peace of mind to our legacy donors, we offer rehoming options should you wish to make provisions for any loved pets in your Will. We can also assist should you find yourself in a position that you can no longer care for your pets.

As part of Legacy Pets Program, your pet (up to 4 companion animals*), will be lovingly cared for at our facility by our trained staff and dedicated volunteers, while we find a home to love and care for them into their twilight years and beyond.

They will receive an individual care plan, as well as daily enrichment, a tailored meal plan and will be positively promoted for adoption.

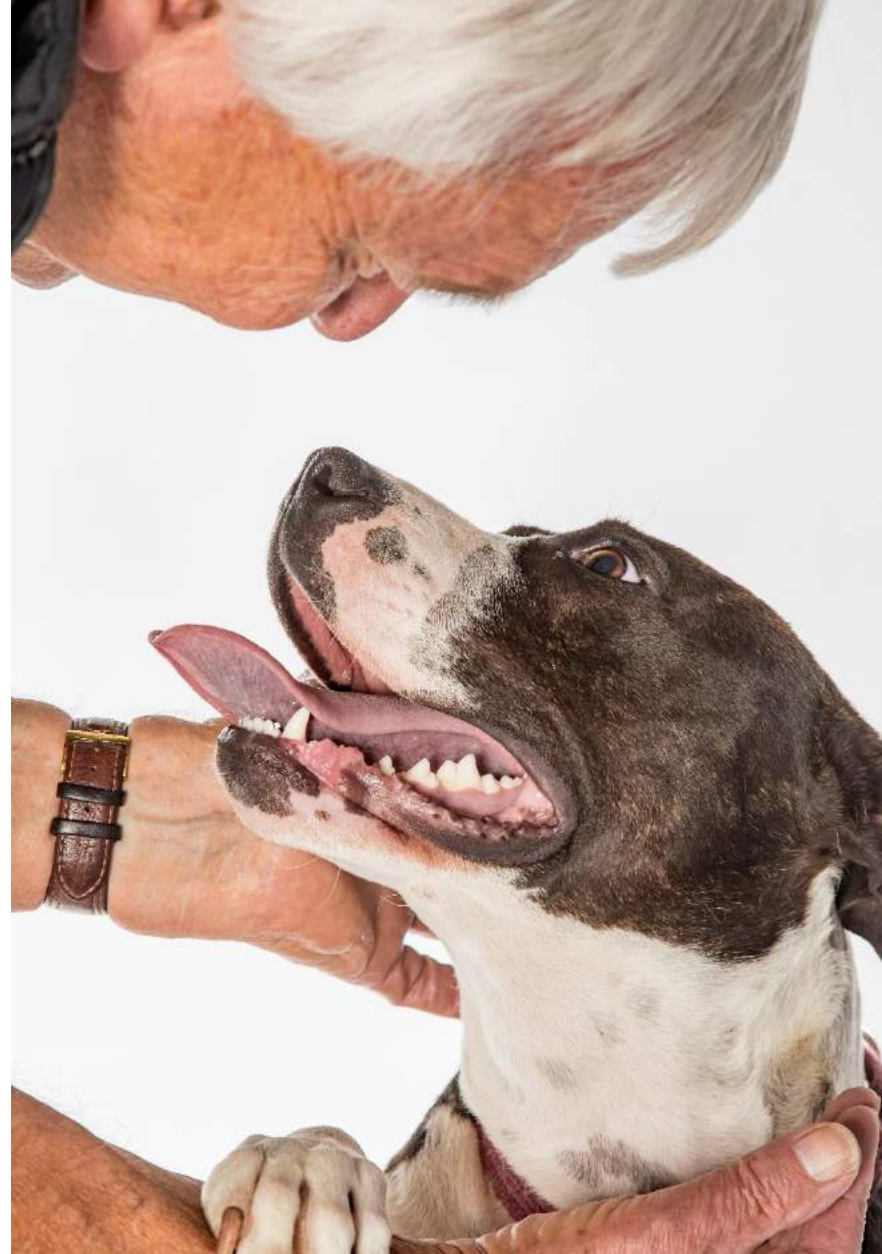

Should they require further assistance to support any treatable medical or behavioural needs while in our care, they will have access to our veterinary or behavioural support, foster care network and our post adoption care initiatives.

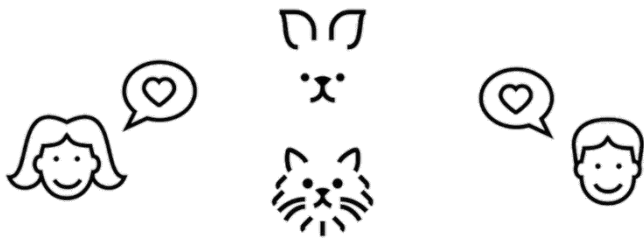

As a responsible rehoming centre all animals that enter our facility, including Legacy Pets, are placed up for adoption after a hold period and a comprehensive behavioural and medical assessment.**

To confirm your interest in our Legacy Pets Program please return the following Legacy Giving Notification Form or contact our Bequest Team.

* Legacy Pets include; dogs, cats, pocket pets and birds. No horses, livestock or undomesticated animals.
