

# LOST BUT FOUND

## STORIES OF DOGS RESCUED BY SYDNEY DOGS & CATS HOME

We invite you to be part of an exciting project that will become a published book, hitting shelves across the country in late 2019!

'Lost But Found' is a project by award-winning pet and animal photographer, Peter Sharp. An ambassador for Sydney Dogs & Cats Home, Peter visits the shelter each week to take photos that are instrumental in helping the lost and abandoned animals find homes. The project is a series of photographs and stories about some of the dogs that have been rescued and rehabilitated by Sydney Dogs & Cats Home.

We would love your dog to be part of this project and for you to have the chance for them to be included in the book. Below is some information about what is involved:

### **Cost:**

- \$100 project participation fee - 100% will be donated to Sydney Dogs & Cats Home

### **Project participants receive:**

- A copy of the 'Lost But Found' book
- \$50 Tame & Wild Studio artwork credit

### **What do you need to do:**

- Bring your Sydney Dogs & Cats Home Alumni into Tame & Wild Studio for a Studio Photography Session
- Complete an 'interview' with your pet and answer some questions about the impact they have had on you and your family's life
- Sign a photography agreement and release form

If you would like to purchase artwork from your photography session, you are more than welcome to book in a Viewing Session; however, absolutely no pressure will be placed on project participants to do so.

*Please note: Unfortunately, we are not able to guarantee that all project participants will be featured in this particular book; however, our goal is to do so if possible.*
