

BEFORE THEIR FOREVER HOME, THERE'S SYDNEY DOGS & CATS HOME

For Sydney's abandoned, lost or neglected dogs and cats, we're the home of hope – a place to find connection, healing and love, before they head to their forever homes.

Help us build our new home.

FOREVER HOMES ARE HARD TO FIND. HELP SYDNEY DOGS & CATS HOME BUILD THE PLACE IN-BETWEEN.

Evicted from our old home due to site redevelopment and now working from temporary facilities, we need a new home. By building a state-of-the-art shelter in Kurnell, we can help over 3,000 animals each year - more than double our current intake. We can be there for even more dogs and cats, kittens and puppies, who are waiting to join their forever homes!

We have the land and funding to start building. Now we urgently need \$8 million to complete the build to keep tails wagging, kittens purring and reunions happening.

Make home happen.
