THEY SAY GIVING IS THE BEST REWARD. THAT'S ESPECIALLY TRUE WHEN YOU'RE GIVING TO .

"That's me!"

Past SDCH resident, Jolene

ABOUT US

Sydney Dogs and Cats Home was established in 1946 and today, is Sydney's only charity pound that responsibly reunites and rehomes lost and abandoned pets.

Servicing multiple council areas across Sydney, the Home opens its doors to up to 3000 pets each year and prides itself on never placing a time limit on any animal awaiting adoption...as everybody knows that true love takes time.

Sydney Dogs and Cats Home is also a pivotal community facility, assisting not only with animal welfare, but also with aged care initiatives, disability care programs, school and higher education assistance and community service programs.

WE NEED YOUR HELP

Every year, we see over 3300 lost and abandoned pets come through our doors and we pride ourselves in responsibly reuniting and rehoming these animals to loving families.

However we are now facing our biggest challenge - to build our own forever home.

Following the news that our current site is slated for redevelopment, we are working towards finding a new place to care for animals in need. We are in a positive place, but we still need your help to raise \$3 million for a purpose built facility to continue our vital work.

We know the challenge is large, but the animals of Sydney need us and with the support of our community, people like you, we know we can achieve anything. After all, it is how we have got this far.

FUNDRAISING IDEAS

DOG-FRIENDLY PUP-DAY

Host a dog-friendly day at your pub and invite guests to bring their pooch for an arvo of good times. Sell raffle tickets, organise one of the local breweries to donate a keg, and our team can even bring along our current residents to the party - the more the merrier!

KARMA KEGS

What goes around comes around. Donate a keg or two and choose Sydney Dogs and Cats Home as the charity of choice for all sales.

YAPPY HOUR

When you thought Happy Hour couldn't get any happier... we bring you Yappy Hour. This hour can be anything you want. Ideas include % of drink sales or a special cocktail creation!

SELL A RAFFLE

Pull together some awesome prizes and promote and sell a raffle. If the prizes up for grabs are enticing, a raffle will sell itself, so be sure to package up some great First, Second and Third prize packs with the value included. Meal or drink vouchers, merchandise and hampers make great giveaways!

DISPLAY OUR COLLECTION BOX

A quick and easy way to support us is by displaying one of our collection boxes in your reception area. Once the box is full, simply deposit the funds into to our bank account and place the empty box back to receive more funds!

GOT YOUR OWN IDEA?

Share your ideas with our Fundraising Team. Whether it's a small or big idea, we would love to help you make it happen! Check out the next page that showcases a past event organised by a local pub.

INSPIRATION: PUP-DAYS

FUNDRAISER AT THE COURTY!

Event: Fundraiser at the Courty

Time: 10am – 4pm

Location: The Courthouse Hotel, Newtown

Fundraising Activities: Karma Kegs, Raffle ticket sales, donation collection

Raised: Over \$3,000 (100% proceeds went to support SDCH)

The Fundraiser at the Courty is a successful yearly event where Sydney Dogs and Cats Home is invited for a dog-friendly Sunday afternoon. We bring our current residents along and have our volunteers help sell raffle tickets and collect donations throughout the day.

The pub supports us by sourcing prizes for the raffle and organising the karma kegs.

WE WILL **SUPPORT YOU**

The team at Sydney Dogs and Cats Home will ensure that your fundraising activities run smoothly.

You will be:

- connected to a dedicated contact person who will be there to assist you from beginning to end
- ensured that your activities comply with the NSW Charitable Fundraising Act
- provided with an Authority to Fundraise Letter upon confirming activity
- given marketing collateral: flyers, posters, organisational material (logos, text), pull-up banners
- given our collection box if needed
- assisted in setting up an online fundraising page for your activity so that donations can also be made online
- assisted in organising our team and furry residents to visit your office

"There's no I
in Team"

Past SDCH residents, Will and Grace

WHERE YOUR **MONEY GOES**

Your fundraising efforts truly mean the world to us. Funds raised will enable us to prevent the unnecessary euthanasia of healthy, loving, domestic pets young or old, or with special needs, by rehoming them and giving them a second chance of life. You'll also be helping us provide meaningful experiences for at-risk members of our community through our community programs.

IT WILL ALSO HELP ANIMALS LIKE...

Milkshake.

After breaking her leg on the racetrack, Milkshake was taken to a local vet to be euthanized.

Knowing the work we do, the vet called us instead and we gladly took this girl on to fix her leg and rehome her.

Whilst in our care, it was also discovered that Milkshake also had a degenerative eye disease that would render her completely blind in a matter of months.

We spent over **\$5,000** on specialist care and surgery for Milkshake, before finding her the perfect loving family.

****Milkshake is now in a loving home ****

Gracie.

Gracie arrived to us covered in skin cancers that had been left untreated for years. Her ears were riddled with painful cancerous sores causing her a great deal of discomfort.

A very delicate operation was undertaken to remove both of Gracie's ears – the only treatment that would end her suffering and ensure her a bright future.

This operation and post-operative care came at a cost of over **\$1,500**.

****Gracie is now in a loving home ****

THANK YOU

Whether you're ready to start fundraising or still have a couple of questions in mind,
please do not hesitate to get in touch!
