THREE QUICK TIPS: POSTING YOUR FUNDRAISER ON SOCIAL

TIP ONE:

Be sure to include a caption that describes your fundraising efforts and directs people to your online fundraising page.
The more personal the better!

TIP TWO:

Tag 'Sydney Dogs and Cats Home' so that anyone who is interested in finding out more about our work can do so!

TIP THREE:

Feel free to use any of the downloadable images available, and don't be afraid to mix them up throughout your fundraiser!
